ROCHESTER, NEW YORK

TO THE TRADE.

We herewith hand you our whole-sale price list of seeds for 1903 and will be pleased to receive your orders, which will have our prompt and careful attention.

Prices on Beans, Corn, Cucumber, Melon and Peas are much higher than last season owing to the unfavorable conditions of the weather. Some varieties are a complete failure and others not half a crop.

We shall endeavor to fill all orders as received as long as stock holds out. It would therefore be advisable to get in your orders early.

Thanking customers for past favors, we are,

Very truly yours,

BRIGGS BROS. & CO.

N O T I C E

There being so many causes that produce unsatisfactory results from seeds sown, it must be distinctly understood that while we exercise the greatest care to have all seeds pure and reliable, we give no warranty, express or implied, as to description, quality or productiveness, or any other matter of any seed we send out, that we will not be in any way responsible for the crops.
